

1. Suggested - need help - pressures DoD
2. Avoided -
3. Press such need help -
 4 DCI - Not for ST
4. 2 yrs ago - you created concept - greater influence over Community
 Since Def bureau tried keep system really
5. Head this wk - 2 minor issues - Transfers budget/APEX
 Afraid if DoD gets its way - concept more effective DCI will unravel
 a. Budget - worked hard not involve you -
 Satisfied still
 Last minute Defense proposed taking 10% - now down to 5%
 Discretionary
 Open - wedge
 Assure - not clearly tactical
- b. Revamp codewords - mark
 Give greater security
 E.O. empowers DCI
 Am doing it now
 paper
6. Feel - even go hold own

Don't want take time rehearse arguments program is national
Issue what Defense not getting that want?

Funding fully -

Competition OMB/DCI has been healthy

Harold apprehensive whether OMB and DCI will fund
next year

worry about next year -

In any event your decision not Harold's

whether you fund next year -

you're going to hear from OMB and me regardless
which budget it's in.

Winning combination - don't change

Theological grounds too murky to be basis for change -

certainly of concern both Harold and me

Next year you'll want Jim, Harold, myself all here
when you decide
